PROFESSIONAL SUMMARY

I am a dedicated and enthusiastic BCA student at MediCaps University, seeking opportunities in Frontend Development, Web Development, . I have a solid foundation in HTML, CSS, JavaScript, C, and C++, along with basic knowledge of Python, Java, and PHP. To strengthen my practical skills, I developed a calculator project using HTML, CSS, and JavaScript. I enjoy solving coding errors and debugging technical challenges, as they help me enhance my problem-solving abilities. As a hardworking and quick learner, I am eager to learn emerging technologies, contribute to innovative projects, and grow into a skilled professional while creating user-friendly and impactful digital experiences.

KEY EXPERTISE

HTML | CSS | Javascript | Basic(php) | basic(python) | basic(java)

EDUCATION

Medicaps University 2024 - 2027

B.C.A. - Computer Applications | CGPA: **9.01** / **10**

Datahari Public School kukshi, Kukshi 2024

12th | MPBSE | Percentage: **84.80** / **100**

swami vivekanand vidhya vihar high school nanpur, Alirajpur 2022

10th | MPBSE | Percentage: **85.60** / **100**

PROJECTS

Calculator web application 18 Jul, 2026 - 19 Jul, 2026

Key Skills: HTML5 | CSS | JAVASCRIPT | DOM

Project Link: http://127.0.0.1:5500/project/cal.html

Developed a responsive Calculator Web Application using HTML, CSS, and JavaScript. Implemented basic arithmetic operations including addition, subtraction, multiplication, and division. Used JavaScript for DOM manipulation, event handling, and real-time calculation of user inputs. Designed a clean and user-friendly interface with CSS, ensuring smooth functionality and a responsive layout across different screen sizes.

ASSESSMENTS / CERTIFICATIONS

how to become an AI specialist at you work

Provider: WsCube teach

Key Skills: aritificial intelligence | ai fundamentals | workplace ai integration

Successfully completed the course "How to Become an AI Specialist at Your Work", demonstrating knowledge of AI concepts, practical workplace applications, and commitment to continuous learning.

c/cpp programming 27 Dec, 2024

Provider: Hello World Instituts

Key Skills: C Programming | cpp programming

SEMINARS / TRAININGS / WORKSHOPS

AI TOOLS WORKSHOP **Institute Name:** BE10X30 30 Jul, 2026 - 30 Jul, 2026

Key Skills: time management using ai tools,content generation and editing | ai-powered presentation creation

Completed an AI Tools Workshop focused on applying artificial intelligence to improve productivity, automate tasks, and solve real-world problems. The workshop covered the practical use of AI tools for content creation, presentations, data analysis, coding assistance, and debugging to enhance efficiency in academic and professional work.

wordpress bhopal built tour 25 Aug, 2025 - 25 Aug, 2025

Institute Name: Medicaps University

Key Skills: WordPress | Web Design | wordpress website building

Successfully participated in the "WordPress Bhopal Built Tour 2025," a hands-on workshop focused on WordPress website development. Gained practical knowledge of website creation, WordPress tools, content management, and best practices for building and managing responsive websites.
